EARLY ACTION APPLICATION (NON-BINDING)

Hofstra Law offers a non-binding, early action application option for first-year candidates of the J.D. program. This option is designed for students who have completed all application requirements prior to the November 15th Early Action Deadline. To meet the Early Action Application Deadline, you must take the LSAT no later than the fall prior to your matriculation into the program. Applications are evaluated on a rolling basis and candidates should be notified of a decision by December 15th.

REGULAR APPLICATION

The regular application may be submitted from September 1 to the April 15th deadline. Regular applications are also considered on a rolling basis and candidates should be notified within 6 to 8 weeks from the completion (not submission) of the application.

ACADEMIC DISMISSAL

Applicants who have been academically dismissed from another ABA accredited law school must wait at least two years before applying for admission to Hofstra Law. Previously dismissed applicants must apply as first-year candidates and should provide detailed information and documentation from their prior law school regarding their former enrollment.

APPLICATION PROCESS

- **Application Form.** Applicants of Hofstra Law are encouraged to apply online through the Law School Admissions Council (LSAC). Prospective candidates may add addendums, resumes, and other items of support by attaching the electronic document(s) to the online application. All supplemental documentation should clearly indicate the question number which it refers. Candidates are asked to complete all sections of the application in the space provided. Please do not place an attachment in lieu of completing the application form. Failure to provide a complete application may result in processing delays.
- **Personal Statement.** The Personal Statement provides an opportunity for you to present yourself, your background, your ideas, and your qualifications to the Admissions Committee. Please limit your typed statement to 2 double-spaced pages. Attach your Personal Statement to the application form. See question 23 for details.
- **Application Fee.** If you apply electronically, we will waive the application fee. If you submit a paper application, please include a \$75 check or money order payable to Hofstra Law. This nonrefundable fee is not credited toward tuition, and is not applicable toward the fee for the LSDAS.
- **Optional: Letters of Recommendation.** Recommendations provide useful information in the selection process and should come from those who have had an opportunity to carefully assess you over a sufficient period of time to make a reasonable evaluation. We encourage all letters of recommendation be sent to LSDAS to be included with your LSDAS report.
- **Register with the Law School Data Assembly Service (LSDAS).** For more information, please visit the LSAC web site at www.LSAC.org or call at 215.968.1001.
- **Foreign-Educated Applicants.** Hofstra Law requires all foreign educated applicants to submit foreign transcripts to the LSAC JD Credential Assembly Service (JDCAS) for evaluation. This service is included in the LSDAS subscription fee. The only exception to this requirement is if you completed foreign work through a study abroad, consortium, or exchange program sponsored by a U.S. or Canadian institution, and the work is clearly notated as such on the home campus transcript.
- **Law School Admission Test (LSAT).** You may submit a formal application to Hofstra Law prior to taking the required LSAT. However, your application will not be complete until all components of the application have been received. Application forms for the LSAT can be obtained from LSAC. Hofstra Law accepts all four administrations of the LSAT (June, October, December, and February) for each entering fall class. If you have taken the LSAT within five years from the current application cycle, you do not need to retake the test.

DECISION NOTIFICATION

Hofstra Law releases application decisions in two forms, formal and electronic. Applicants may elect to view the decision of their application via the online status checker, accessible through our web site. In addition to the online status checker, the Office of Enrollment Management will send a formal letter to the applicant's permanent address on file.

CAMPUS SAFETY REPORT

The Federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires colleges and universities to publish and distribute an annual security report containing policies and procedures as well as campus crime statistics.

The Campus Safety Report includes statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned or controlled by Hofstra University, and/or on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security such as policies on alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other matters. You may obtain a copy of this report by contacting the Department of Public Safety at (516) 463-6606 or by accessing the following Web site: hofstra.edu/campusafetyreport.
