## MASTER OF LAWS (LL.M.) PROGRAM APPLICATION PROCEDURES

### ELIGIBILITY REQUIREMENTS

A candidate for the degree of Master of Laws (LL.M.) must hold the first degree in law (J.D. or LL.B.) from a law school that is approved by the American Bar Association or a bachelor of laws degree from a non-U.S. law school approved by its foreign equivalent.

### APPLICATION PROCESS

Apply online using the LL.M. application available via the Law School Admission Council's (LSAC) online service, or apply using our LL.M. printed application. Both may be accessed at [law.hofstra.edu/apply](http://law.hofstra.edu/apply).

To expedite the application process, we suggest that you apply electronically. Additionally, if you apply electronically, we will waive the \$75 (U.S. dollars) application fee. All questions must be answered, and the application must be signed and dated; if you are applying electronically, the certification box must be checked to validate your application prior to transmission. Please note that it is your responsibility to notify the Law School of any change of status to any part of this application that may occur after the date of signature on this application, and submit the required document(s) within 30 days of the status change. We suggest that you keep a copy of your application and all documents you submit with your application. We cannot return or provide copies of any part of your application, transcripts, translations, letters of recommendation, or supporting material. Applicants for the LL.M. program may apply to **only** one program. Please note: Admission decisions are released **only** in writing on Law School letterhead under the signature of the dean of the Law School or the dean's designee.

### WHEN TO APPLY

The American Legal Studies (ALS) program offers fall matriculation only. The priority application deadline is June 1. The Family Law (FL) programs offer both fall and spring matriculation. The priority deadline is June 1 for fall matriculation and November 1 for spring matriculation. We will permit applications to be filed after the deadline, until we can no longer provide full consideration.

### REVIEW OF APPLICATIONS

Hofstra Law School has a modified rolling admissions process. Applications are considered in the order in which they are received and deemed complete. We guarantee full consideration for all applications submitted by the deadline, and we permit applications to be filed after the deadline until we can no longer provide full consideration. Personal interviews are not part of the admissions process. Applicants currently enrolled at non-U.S. law schools that use a final examination result or a final degree classification as a measure of academic performance may not receive a decision until those results are received by the Admissions Committee.

### FOREIGN-EDUCATED APPLICANTS

Candidates who have received their academic legal training from an institution outside the United States will need to either (1) register with the LL.M. Credential Assembly Service (see item 6 under Application Requirements) or (2) submit official law school transcripts and TOEFL reports directly to Hofstra Law School. Candidates who choose not to register with LSAC's LL.M. Credential Assembly Service will need to make arrangements for one set of original transcripts printed in the school's native language and one set printed in English to be sent to and evaluated by the World Education Services credential evaluation service, [www.wes.org](http://www.wes.org). The evaluation(s) must be sent to the Office of Enrollment Management at Hofstra Law School. Applicants whose academic legal training was in a language other than English are required to present a recent score from the Test of English as a Foreign Language (TOEFL) from the Educational Testing Service (ETS, [www.ets.org](http://www.ets.org) or [www.toefl.org](http://www.toefl.org)). Hofstra Law School's institution code is 2295.

## RE-APPLICATION PROCESS

Candidates who have previously applied for admission to the Law School may choose to reapply. Although it is highly likely that an applicant will receive the same decision, in some cases, applicants do receive a different determination based upon additional information. Applications are maintained on file for two years only. Please check "yes" to Previous Applicant in question 5; this will allow us to include your previous materials in the review process. The \$75 application fee and an updated application form are required. If applying electronically via the Hofstra Law School Web site, LSAC online service, there is no cost to apply. Submitting an updated personal statement or new letters of recommendation is optional, but encouraged.

## APPLICATION REQUIREMENTS

Because the various parts of an application must come from several sources, it is your responsibility to ensure that all required materials reach the Office of Enrollment Management. No application will be considered complete for submission to the Admissions Committee until the following materials have been received and processed:

1. **Application Form.** Please type or print neatly. Ensure that your printed name and Social Security number (if applicable) appear on each document you submit. Answer all questions, sign the form and, if you need more space, attach additional pages. Some questions may require further explanation on a separate page, and you are welcome to include any attachments you would like. All supplementary statements submitted must clearly indicate the question number to which the statement refers, be signed by the applicant and have the applicant's name printed or typed at the top of each page. Do not, however, substitute a resume or other attachment in answer to any question requesting a response on the application form. We suggest that you keep a photocopy of your entire application. Failure to furnish a complete application will result in delays in processing. Please note: We use e-mail to update candidates on the status of their files whenever we can. Provide your e-mail address in question 6 on the application form. Please be sure to distinguish between the numeral "1" and the lowercase letter "L."
2. **Personal Statement.** The Personal Statement provides an opportunity for you to present yourself, your background, your ideas, and your qualifications to the Admissions Committee. Please limit your statement to three (3) pages. Attach your Personal Statement to the application form, and sign both the form and your statement.
3. **Application Fee.** \$75 (U.S. Dollars) check or money order payable to Hofstra Law School. This fee is nonrefundable, is not credited toward tuition and is not applicable toward the fee for the LL.M. Credential Assembly Service.
4. **Two Letters of Recommendation** are required. Recommendations play a useful role in the selection process. Recommendations should come from those who have had an opportunity to evaluate you carefully and individually over a sufficient period of time to formulate a reasonable evaluation.
5. **Law School Transcripts.** The authorities of the college(s) and graduate or professional school(s) you have attended will need to send one set of official academic transcripts directly to Hofstra Law School.
6. **Foreign Educated Applicants** to Hofstra Law School's LL.M. degree programs are encouraged to register with the LSAC's LL.M. Credential Assembly Service ([www.LLM.LSAC.org](http://www.LLM.LSAC.org)). This service will save you time and money, especially if you intend to apply to a number of U.S. or Canadian graduate law degree programs. You will need to obtain your transcripts and other required credentials only one time in order to make them available for all your law school applications. For a registration fee of \$185 (U.S. dollars), LSAC will collect, authenticate, and distribute your university records [and TOEFL score(s), if required]. You will be able to use this credential-processing service to apply to participating U.S. and Canadian law schools for a period of five years. Five reports to law schools are included in the registration fee. For additional information about this service, visit [www.LLM.LSAC.org](http://www.LLM.LSAC.org). Please note that you must still complete the Hofstra Law School application and submit all required application fees to Hofstra Law School. The LSAC service serves only to authenticate non-U.S. or Canadian credentials that are needed in addition to a completed application.

## DECISION NOTIFICATION

Decision letters are mailed to the valid address as of the date of decision. Decisions are not released over the telephone, in-person, or through e-mail. Admissions decisions are released **only** in writing on Law School letterhead under the signature of the Dean of the Law School or the Dean's designee. Once an application for admission has been denied, it will not be evaluated again for the same enrollment period.

## COMMUNICATING WITH THE OFFICE OF ENROLLMENT MANAGEMENT

Please be assured that as long as we have accurate telephone number, e-mail and mailing address for you, we will communicate with you regarding the status of your application. We mail notification for each stage of the application process: application received, application incomplete and missing a particular item(s), application completed and sent to committee for review, and final decision. If you have not received notification from us confirming receipt of your application within four weeks of submission, contact us to confirm receipt of your application. The Office of Enrollment Management can be reached by phone at (516) 463-5916 or by e-mail at [llmadmissions@hofstra.edu](mailto:llmadmissions@hofstra.edu).

Please note that we will share information about the status of your application file only with you. If you would like to designate an individual, typically a parent or partner, to communicate with the Law School on your behalf, send a letter authorizing and naming your designee.

## CHARACTER AND FITNESS

24. Because of the high ethical standards governing lawyers, the failure to disclose an act or event, such as the ones described below, is often more significant and leads to more serious consequences than the act or event itself. Failure to provide full and truthful answers may result in revocation of admission or disciplinary action by the Law School, or denial of permission to practice law by the state in which you seek admission. Note: An affirmative answer to any of these questions will not automatically preclude your admission. In addition, as state requirements vary, we advise you to obtain information about qualification for admission to the bar of the state in which you intend to practice.

24a.  Yes\*  No Have you ever been subject to any disciplinary action, placed on academic probation, or dismissed from any school, college, university, or graduate professional school that you have attended? Is any such action pending or expected to be brought against you? Please provide details, including relevant dates, description of the incident, disposition of the incident and any other relevant information following the incident.

24b.  Yes\*  No Have you ever pleaded guilty to or been found guilty of any crime, offense or violation (other than a minor traffic violation)? Please provide details, including relevant parties involved, description of incident, disposition of the incident(s) (expunged, dismissed, probation, arrest, incarceration, etc.), photocopy of any official court documentation and information related to post-sentence events (pardon, etc.).

24c.  Yes\*  No Have you ever been discharged by an employer or asked to resign? Please provide details, including relevant dates and a brief description of the circumstances.

24d.  Yes\*  No Has your higher education, employment, or business activity been interrupted for six (6) months or more for any reason?

*\*If your response to any of questions 24a-24d is "Yes," please attach an explanatory statement. (If applying electronically, please use an electronic attachment.) Vague statements are not acceptable. Failure to fully disclose details may result in dismissal from Hofstra Law School.*

Continuing Obligation to Report Information: Should your response to any of these questions change during the course of your application, prior to matriculation or while enrolled at the Law School, you must immediately inform the Office of Enrollment Management.

## PERSONAL STATEMENT

25. On a supplementary sheet, submit a brief statement of purpose. In particular, we would be interested in knowing why you wish to pursue the LL.M. degree and why you chose the concentration in American Legal Studies or Family Law. Please limit your essay to three (3) pages, and include your printed name and Social Security number (if applicable) on all attachments (if applying electronically via the Hofstra Law School Web site or LSAC, use an electronic attachment).

26. **LETTERS OF RECOMMENDATION:** Please provide the names and professional positions of at least two persons whom you have asked to write letters of recommendation on your behalf. *(Note: The letters that are most helpful are those written by law school faculty members who know you well or by persons for whom you have worked in a professional capacity.
