Alumni of the Month

Temitope Famodimu was select as our Alumnae of the Month for December. Ms. Famodimu’s family is from Nigeria and she grew up in Long Island. This very successful 2006 graduate was a transfer student who was a member of BLSA’s moot court team. She currently is a fellow in the New York State Unified Court System Legal Fellows Program. In her spare time, she enjoys doing volunteer work, playing the guitar, reading, and knitting. Congratulations to this very thriving alumnae.

BLSA and Community Service

For the Holidays, BLSA has participated in many community service activities to aid those in need over the Holiday Season. BLSA members made Thanksgiving baskets for the needy of the Hempstead Community along with a Coat Drive to donate coats to men, women, and children. Additionally, BLSA held an end of the year Holiday party to collect toys for children who were victims of Hurricane Katrina.

BLSA’s Executive Board hopes that you have a very happy holiday season!!!!!!!!!!
