First Week Assignments for the Civil Externship Seminar
Professor Silberfeld

The first Civil Externship Seminar meets on Thursday August 22 in room 242. For that class, please read the course Syllabus and Calendar, which are posted on the law school website.

Prior to our first class please, send me an e-mail at lawjzs@hofstra.edu containing the name of the organization where you will be working and, if you know, the kind of work you will be doing (e.g., U.S. Attorney’s Office in the Southern District of NY, civil litigation).

The first journals are due on Sunday August 25. Please refer to the Syllabus for instructions on how to format your journals and what to include. In the subjective journal due on that date, please discuss why you sought and/or accepted your particular externship position and what your learning goals are for the semester. In addition, please describe any previous legal experience. Finally, please include your supervisor’s name and e-mail address.
