First Class Assignments for Class 1 – Thursday, August 21, 2014

- Complete Kaplan Online Diagnostic (instructions will be e-mailed to each student from Kaplan; please contact Profs. Joffe or McElroy ASAP if not received)

- Complete Student Questionnaire and Self-Assessment (previously forwarded from the Academic Success Program)

(Both of these assignments are graded. Full credit will be given if both are completed on time and in good faith, regardless of how many questions are missed on the Online Diagnostic.)
