Amount of reading during the semester: There's more reading at the beginning of the course to prepare you to draft contracts — and much less reading later in the course (while you’re drafting).

Monday, August 25

1. From the law school’s assignments webpage, print and read the course syllabus.

2. In the Drafting Contracts book: — read pp. 1–56 (Chapters 1 through 5)  
   — do Exercise 5-2 (pp. 57–60)  
   — read the two contracts on pp. 505–518*

* You won’t understand everything in these contracts the first time you read them. Do the best you can. After the first two classes, you’ll be able to interpret them fluently.

   143–147 (Appendix E)
