First Day Assignment

All students must sign up on the Course TWEN site.

Prior to the First Class, please post (in the Student Introductions Forum) an introduction, telling me something about yourself. You may answer the questions on the Form I’ve posted or you may ignore those questions altogether – in either event, the point is to be memorable (so we can begin to get to know each other) rather than to impress.

The Course Introduction and a Syllabus listing specific assignments are, or soon will be, available on the website.

For the first class, prepare Chapter 1.1 and 1.2.1 – 1.2.4.
