There are two required texts for this course (which are the same as the ones required in your Contracts I course last semester):

Reading assignments are from Choper, Fallon, Kamisar, & Shiffrin, *Constitutional Law* (12th ed. 2015), and from supplemental materials I will distribute from time to time.

For our first class on Thursday, August 20, 2015, please prepare the following readings, which can be downloaded from the course’s TWEN site under “Course Materials”

I. Introduction

“A More Perfect Union: The Creation of the Constitution”;

U.S. CONST: Preamble, Articles I-III, V.

Note: A full syllabus will be posted online on the TWEN Site under “Syllabus”.
