First Assignment

Please enroll on the Lexis Classroom course website and test your enrollment by mailing yourself a message via the website's mail utility; and then take a look at the outline of the online textbook (Chap. 00) and read Chapters 1 and 2 for our first class. If your last name ends in the letters A-L post a short (1 paragraph) answer to PRACTICE PROBLEM 1-1 to the website discussion board; if it ends in M-Z, post an answer to PRACTICE PROBLEM 2-1 to the discussion board.

I look forward to meeting you!
