If you are chosen to be a 2026-27 Deans' Legal Tech Fellow, you will be expected to work 8 - 10 hours a week during the fall and spring semesters and intermittently 1- 3 hours during the summer break. During the fall and spring semesters, you will also be expected to attend mandatory one-hour weekly meetings. Time spent at meetings will count towards your weekly hours requirement. The meeting forum will vary. Some meetings (probably most) will take place via video conference (e.g., Zoom), while others will take place at the law school. The Director of the Fellowship will determine the forum for each weekly meeting. Although most work can be done remotely, you will sometimes need to work in person with your co-fellows at the law school. Please identify any times in the 2026-27 academic year when your schedule or other obligations and commitments might adversely impact your availability to participate in this Fellowship.

Please email this application (completed and signed), a short statement of interest Fellowship (200 word max), resume, and academic transcript to John.Tsiforas@hofstra.edu by May 15.
